Non-Pro Classic/Challenge - 1st Go GILLOCK'S GOOD FORTUNE

Theresa Gillock on Fortune Bend

The Non Pro Classic Challenge 1st Go Round was split between Monday and Tuesday, October 28 and 29. The class held fifty-six entries of five and six year old horses vying to qualify for the 35 slots advancing to the Second Go Round (thirty four plus ties), and ultimately the Finals. Theresa Gillock showed the great young stallion Fortune Bend (One Time Pepto X Stylish Doll) to the leading score of 221 in the second set of cattle. Theresa and husband Jerry, from Las Vegas, bought the five year-old compact red roan stallion from Wal Mart heiress, Alice Walton. He already holds numerous Champion and Reserve Champion titles earning over \$78,000 in NCHA dollars. Theresa said they plan to breed him next year to a select group of mares. Theresa, who owned and operated a long time jury consultant business, feels that horses like Fortune Bend "are what make cutting fun. He is something special." She credits her help

(Cookie Banuelos-her trainer, Shad Platt, Tim Smith, Gavin Jordan and her lopper, Rafa) as being "the key to picking the right cows." They helped her drive up and get centered. Fortune Bend's great disposition allows Theresa to really enjoy him even though he's a stallion. It will be fun to see what kind of babies he'll produce.

Jessica Gonsalves trailed behind Theresa by just a half point with her 220.5 riding WR Jillaroo (WR Cats Smart X Oaks Smart Peach). Jessica grew up in Ojai, California and moved to Paso Robles when she was a senior in high school. She met trainer/husband Gary Gonsalves while he was riding horses for her parents, Sue and George Hearst. The couple moved in 2005 and relocated in Millsap, Texas. Jessica is quite fond of WR Jillaroo calling the mare her "third child." Her real children are Garrett (15), who plays football, and Gentry (12), who rides horses.
